

LXPLOSION SOLUTIONS PVT. LTD.

COMPANY OVERVIEW

1. Company Profile

Lexplosion is a specialist legal compliance management company promoted by 4 lawyers with 80+ years of collective experience in the legal industry. Born out of the personal experiences of its four promoters, all of whom have extensive experience as in-house counsels, Lexplosion’s innovative products and customized solutions has managed to catch the attention of legal & compliance teams by focusing on their real pain areas.

Lexplosion helps Indian companies to lower the total cost of legal and compliance operations by making their processes more efficient and benchmarking them to global best practices. In addition to its consulting support to the clients, Lexplosion also provides a comprehensive compliance management solution through their innovative compliance tool - Komrisk. Komrisk is a content based compliance management software, having rich regulatory content that generates compliance alerts, sends escalation mails, does compliance analysis, creates customized dashboards and also provides compliance updates. The compliance tool from Lexplosion has received wide user acceptance across top fortune 500 and blue-chip companies in India.

Lexplosion is the pioneer of productized legal and compliance services for in-house legal teams and provides LGRC value added services like compliance audits and legislative updates (nEWS®).

Lexplosion also provides comprehensive contract management and litigation management services as well.
