

The Robust Online Examination Solution

www.conductexam.com

- Conduct Exam is a product of R K InfoTech - A leading and innovative software development company offering its services in various types of market segments
- Conduct Exam is a robust online examination software which offers impeccable assessment solutions through which Institutes, Companies, Universities and other organizations can conduct examinations with ease.
- Our Online Test series portal works on Cloud Computing Architecture through which exam can be accessed 24/7 from Web and Mobile/Tablet
- Our Solution can be used for conducting different types of assessment such as Examination, Recruitment, Survey, Training, Certification, etc

- Filling the bubble of OMR sheet is time consuming and once filled it is difficult to change
- Candidates do not have the option to mark the question for review at later stage
- No option available to see the answered, left and marked for review questions
- Candidates have to come to the premises to take the Exam and the evaluation process takes time
- Analysis like time taken in each question is not available

- Exam through **Web Application**
- Exam through **Computer Based Application**
- Exam through **Mobile/Tablet Application**
- Exam through **CD/USB application**
