# Success Stories

## Zenj Taxi (Taxi Booking Application)

### Project Details:

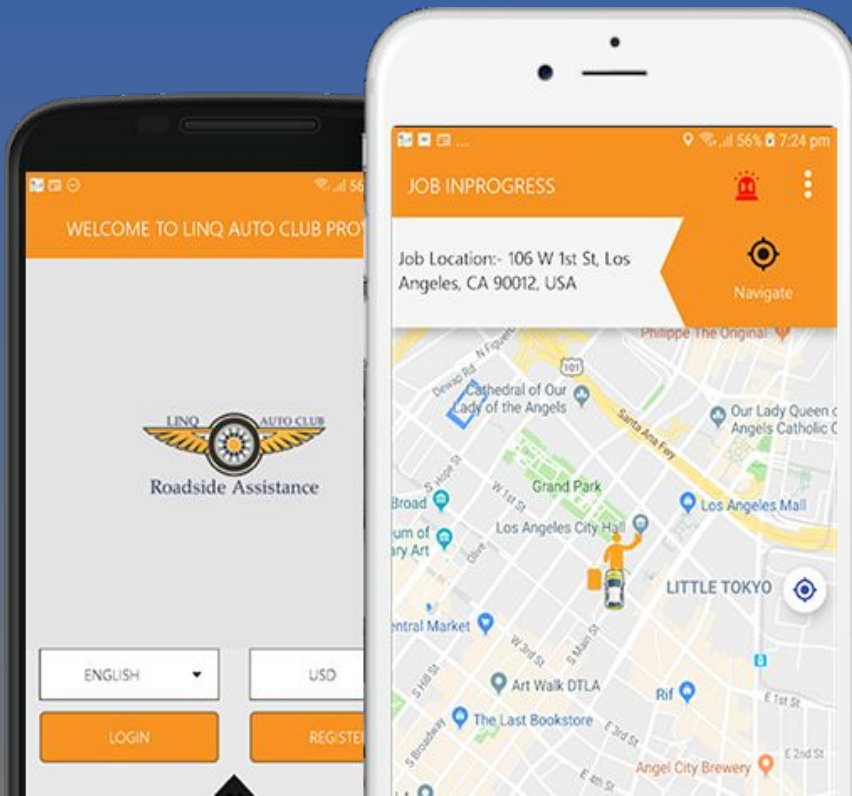

Zenj Taxi is a User-friendly online booking app, with an easy click you can accept the nearest request and receive your rider's information. Zenj Taxi Driver offers the latest features that help you focus on driving and making money. You can update the status, such as arrival at the pickup point, rejection of the booking etc. You can track the booking history and monitor the status of bookings made.

# Success Stories

## LinQ Auto Club (Tow Trucking Application)

### Project Details:

As the leading provider of technology that connects motorists to local tow, roadside assistance providers and Mechanics, LinQ Auto Club offers our partners the ability to receive, dispatch, fulfill, and receive payments faster and more efficiently.

Get instant notifications for jobs near your trucks. Less travel time = more jobs = more money.

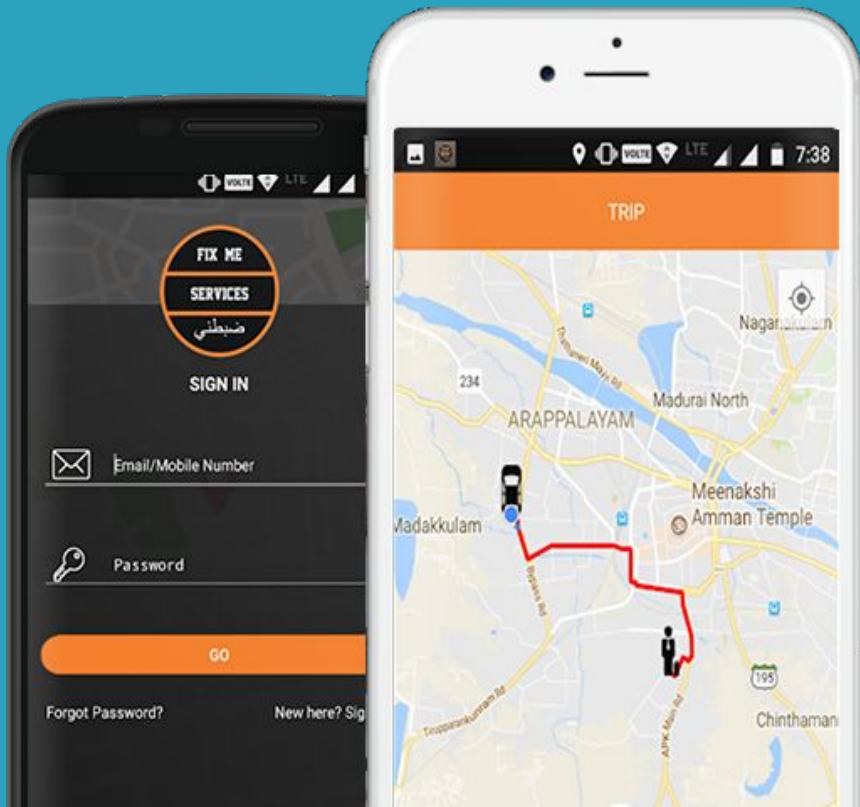

LinQ Auto Club members are informed of your ETA automatically, so you deal with less status calls.

Expect a lot more volume. We award Bonuses to our partners that maintain the highest level of customer service to our customers.

# Success Stories

## Fix Me Services (On-Demand Services Booking App)

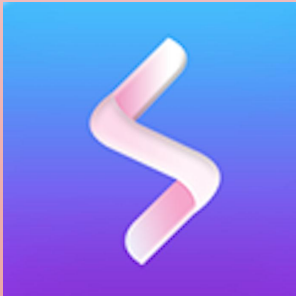

### Project Details:

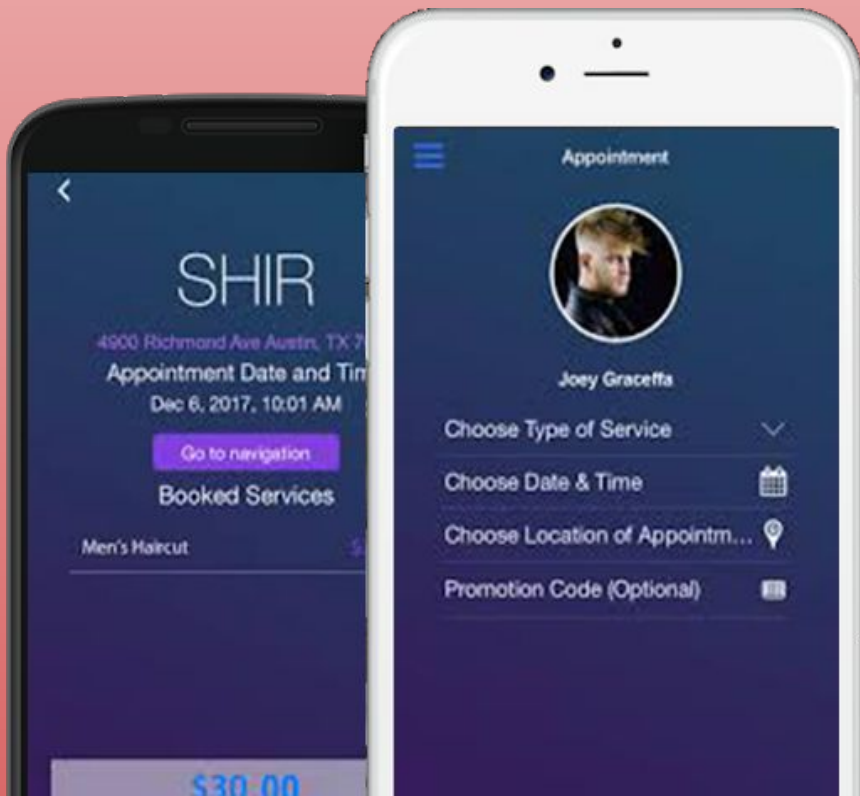

'FixMe Driver' is an app which helps you find new customers and grow your business. The process is simple. Customers tell us about their needs and we send you the details of their requests (If relevant to your business). If it looks like a fit, you can accept it.

Hundreds of professionals are using FixMe Driver successfully to manage and expand their business. They are from diverse categories such as Gas selling service, Brake down, Tipper 3 T, Mini bus group rent, Water truck, Pick up one T, Plumber, Electrician and Mechanics. Our vision is to use technology and smart processes to structure the highly unorganized services market in India. We firmly believe in empowering service entrepreneurs to run their business through a Smartphone.

# Success Stories

## SHIR Haircut (Hair-Stylist Booking App)

### Project Details:

'SHIR' is a platform that connects users to licensed cosmetologists. Our on-demand salon app allows customers to request a service, select a time and location. Upon completion customers can simply pay through the app.
