

Mastercraft Boats Huntington Beach, California

California Skier deals in different types of [MasterCraft Boats](#). We have been dealers of MasterCraft for 35 years and provide the best customer satisfaction. We offer a full range of services to keep you on the water trouble free. We provide routine maintenance, troubleshooting issues, underwater gear damage, gelcoat, upholstery, or canvas repairs by our factory certified servicemen. We intend to provide you a full package of benefits designed to make buying and owning a boat from us, a pleasant and convenient experience. Our entire staff works diligently to ensure our performance matches your expectations.

We at California Skier understand the importance of your family time or any plan with friends and strive hard to provide you the best water experience without any trouble. Our factory men are not just MasterCraft/Ilmor and MB Sports specialists, but they are also highly skilled in providing services for Indmar, PCM, Marine Power, Mercruiser, and other marine engines used in Malibu, Nautique, Tige', Supra, Moomba, Centurion, Sanger, Supreme, and Axis boats.

Not many boat companies provide a warranty but we do! We give a warranty of 5 years on every MasterCraft Boat purchase. We believe in serving our customers even after they buy from us. We build stronger partnerships with our vendors and do more product validation so that you and your expensive new boat don't have to be a guinea pig.
