

Independent Hotels in Bangkok Vs Jellybean Hostels

Undoubtedly Bangkok is one such place which is almost crowded for throughout the year due to its tourism pro activities for visitors to do during their trip to the city. Bangkok offers some top-class [Studio Hotels & Resorts in Bangkok](#) still at the peak times finding an independent hotel in Bangkok is a thing hard to come by. For backpackers and solo Travellers there is an option of **Jellybean Hostels** in the city where they can get all the required facilities during their stay even at the peak times as they are expanding very rapidly across the Thailand city.

Nobody can deny a fact that the popular staying options of **Studio Hotels & Resorts in Bangkok** are costly enough to burn one big hole in your pocket and usually most of the customer at these hostels are people coming from rich and wealthy backgrounds. There are two different possibilities under which people with tight budget can also get served at the hotels the first one is with the help of some deals or discount and the other one is by arriving here In the Bangkok city in the off-peak season.

Accommodation places like [Jellybean Hostels](#) have emerged as a good substitute of some luxury hotel in the City as from the matching linens to the curtains and the modern stylish bathrooms to the access of Wi-Fi, TV and even swimming pools makes them a perfect choice for people finding a pocket friendly option of making base into the city. You can use the saved amount on your hotel expenditure on other avenues like shopping, travelling, dining as you will get more or less same comfort with an additional benefit of close interaction with foreign nationals at the **Jellybean Hostels**. If you are a person with not so good financial condition and trying to do a budgeted travel to Bangkok, then you can dump the option of Independence Day hotels in Bangkok for hostels surely.
