# 1. PURPLE PHASE COMMUNICATIONS

- Purple Phase is an award-winning strategic **branding and design agency in Ahmedabad.** We provide solutions for best logo and branding in Ahmedabad. We don't just create advertisements; we help our clients grow their business by addressing marketing challenges. Writing content and creating the design is the last thing on our mind. Understanding business, values, and brand come first. We strive to understand client's thought process behind the brand and where they want to see their brand 5 to 10 years down the line. Placing heavy emphasis on research, we gather primary and secondary intelligence about the industry, customers, and competition. These separate bits of knowledge help us in piecing together the puzzle of what should be the right strategy to achieve the objective at hand.
