

ACA World – Best Brokerage Firm in Jaipur

Make the right investment at the right time.

As the [best stock broker firm in Jaipur](#), A C Agarwal has come up with a range of apps that give you complete control of your investments. In a fast-moving market, you shouldn't have to wait for anyone to make that money-making call. We offer three platforms that allow you to research, analyze and trade stocks right away without any interruptions.

ACA Touch

Trade anytime, anywhere with a small touch.

Our flagship product, ACA Touch is a simple and comprehensive app for your mobiles and tablets. Taking care of your investment decisions and trading orders, the platform is designed to offer blazing fast transaction times. Get ready to step into the stock market and be the bull, no matter where you are.

Move The Market in a Second

ACA Touch houses the best-in-class technology that ensures no lag, hangs or system failure. A high-speed infrastructure allows you to enter and exit your positions within moments.

Simple and Sleek

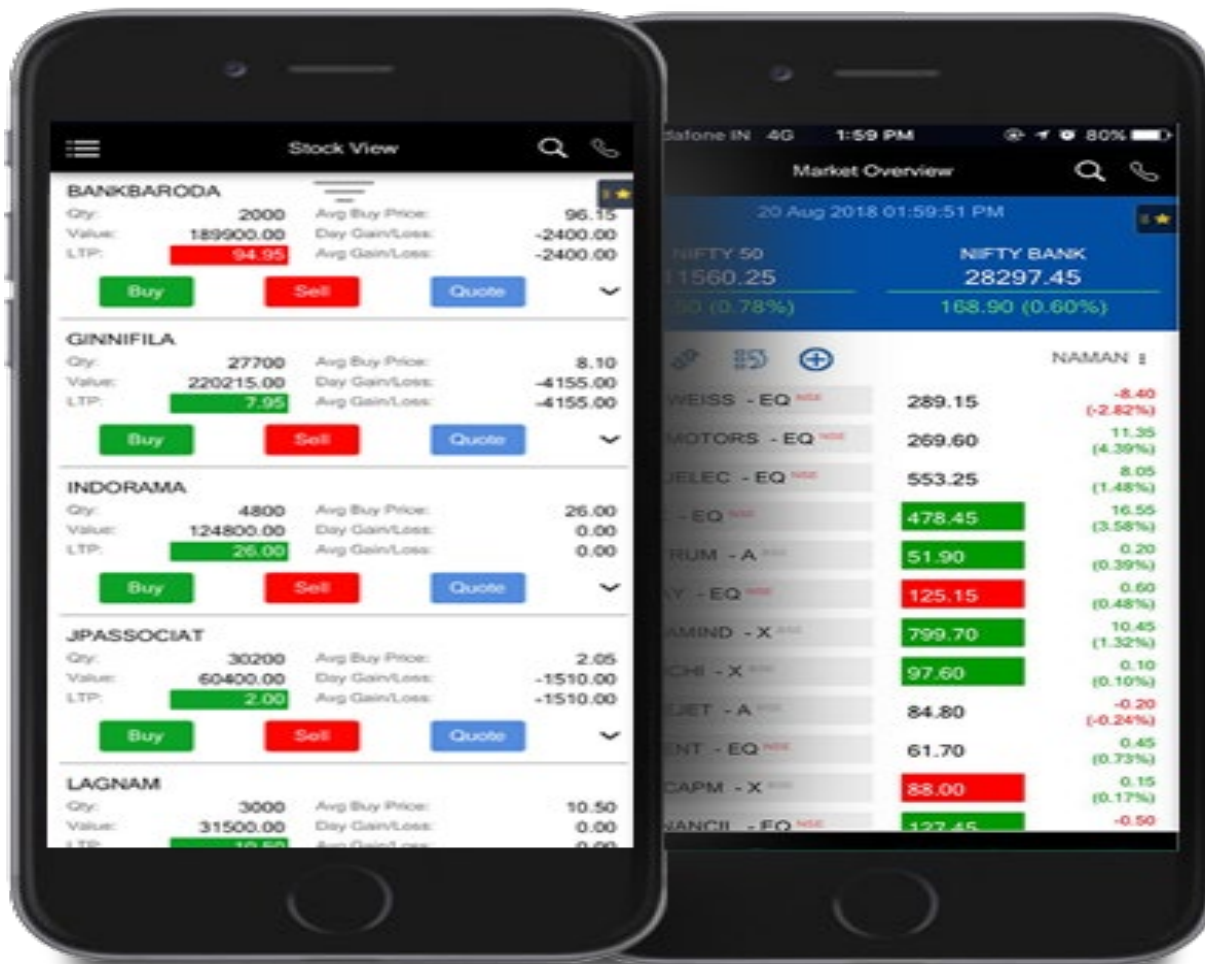

Designed to be easy to use and understand, the user interface is straightforward with no clutter. Large icons make it easy to touch and navigate.

Portfolio View

Get a complete view of all your stocks, buy and sell orders, quantities held and current market price in one place for easy decision-making.

Single Touch Square Up

Settle your day positions with the Square-Off button that fills in all your details for a seamless process. One-click orders keep you ahead of the market curve.

ACA Swift

Trade like you're in the ring, from your desktop

ACA Swift is created for investors who understand the value of time. To keep up with the market, you need to see, understand and react in the blink of an eye. Our desktop app brings the stock exchange to your PC. It delivers a trading experience that'll keep you on top of your game.

As Fast as You Think

ACA Swift has been curated to match your speed and process orders lag-free. Built upon an enormous backend, the platform is ready to roll at all times.

Simply Delightful

Structured to have an easy user interface, the app allows you to instantly access the information you need. The flow of controls is spaced out for effortless understanding.

Detailed Analysis

Access data that transforms your perception of a particular stock. With in-depth information in charts, every investment can be a calculated one.

Bulk Orders

Whether it be one stock or several, place different orders for different prices through a consolidated page. Capturing all the price points just became a breeze.

ACA Gullak

Paperless, hassle-free savings that multiply

Built to simplify mutual fund investment, ACA Gullak is your one-stop-shop for all kinds of movement in the MF market. We offer advice that helps you achieve your financial goals for zero fees. The app allows you to explore, invest and manage, all from one space.

Online Account Opening

All your information is taken via an e-KYC that eliminates the troubles of sending in paperwork and filing unnecessary forms. An account can be opened within minutes of your time.

Readymade Plan Baskets

The app has pre-curated investment baskets as per your risk appetite. Whether you choose a tax-saving strategy or a growth-oriented one, we have a plan for you.

End-to-End Tracking

With a passbook that displayed your current holding, initial investment and daily gain-loss scenario, you can manage your funds like never before.

Goal-based View

Allocate investments as per your financial goals and track how close you are to the target. The inflation adjustment, current value and surplus amount keep you always updated.

There are several stock trading companies in Jaipur and even more share brokers around India, but none share the reach and reaction of ACA World. Whether you are in our home arena [Jaipur, neighbouring city Vadodara, Gujarat or anywhere in India](#), A C Agarwal has got you covered. Just choose the app that fits your bill and gear up to boost your income.
