

Zhejiang Changlux lighting Co., Ltd

[Zhejiang Changlux lighting Co., Ltd.](#), was established in 2002, which is invested by Wanda Group with RMB200 million. It is a national high-tech enterprise that focuses on producing LED Lighting products, development and implementation of lighting projects. Our [Gas station light](#) factory located in No. 1887 Yatai Road, Wenyan Street, Xiaoshan District, Hangzhou City, Zhejiang, China, occupying 25,000 m². It has three plants with over 40,000 m².

Changlux understand the importance of personals and equipment for better quality of products. Therefore, we invested RMB 20million for construction of the large Enterprise Technology Development Center. Digital Control Center, National Standard Laboratory and SMT&SMD Center. Changlux has ISO9001-2008 quality system certification and its products have passed CE/RHOS/UL/ETL/DLC/TUV and so on.

OEM&ODM are both welcomed and we are looking forward to cooperating with universities and research institutions in all aspects. We also welcome you to join our brand, mutual benefit and win-win cooperation has always been our philosophy. We are looking forward to creating great value for our customers, providing high quality lighting for users, making great contribution to the energy-saving project of all over world and creating a low-carbon green earth.
