

## **MATERNITY BOUDOIR PHOTOGRAPHY SERVICES BELLEVUE - [CLOUDCOVER](#) [PHOTOGRAPHY](#)**

Pregnancy is not only a physical, but also a spiritual journey. [Maternity boudoir photography](#) is an excellent way to freeze the moment and capture this special journey to praise nature's wonder.

## What Is Pregnant Boudoir Photography and Why You Should Do It

[Pregnancy boudoir](#) is all about highlighting the beauty of a pregnant female body. Like in standard boudoir photography, the model is photographed in lingerie, naked or with very light clothing.

We also offer [boudoir maternity portrait sessions](#) if you are looking for something different and aren't afraid to show your sexy side, baby bump and all. Even if pregnancy has made you self-conscious of your changing body, maternity is beautiful, and so are you! You deserve to feel comfortable in your body and pregnancy boudoir photos are a great way of boosting

your confidence while celebrating this momentous occasion in your life. Contact us if you would like to book a session.

## **What to Wear to Your [Maternity Boudoir Photoshoot?](#)**

We always say wear what you're most confident in! If you love the outfit, your confidence will show through. For maternity boudoir we often recommend wearing light colors like white, cream or pastels that feel more maternal and feminine and bare feet just seem to feel right usually Lace robes are both sexy and feel soft and fitting for pregnancy photoshoots and are comfortable.
